### Notes

1. Direct deposit to FNB will reflect at the same day. Transfers from other banks will take approximately 1 - 2 working days.
2. Pawned items will only be released only once the funds reflect at Lanny Capital (Pty) Ltd T/A Pawn Express bank account.
3. Please e-mail the proof of payment to: [accounts@cash.co.bw](mailto:accounts@cash.co.bw) in order for your statement to be updated and credited.

Any payment made to the bank without a reference to the account of the Borrower, will not be reflected as a payment. In addition, proof of payment must be physically presented to the company's accounts department. Failure to do this, will lead to the account being in default until proof of payment in the above manner is submitted.

All payments without a reference or proof of such payment will be considered untraceable payments and will be diverted to the Company's 'Suspense Account' until proof of payment is submitted and therefore will not be credited to the client's bank account whatsoever, resulting in payment default and other penalties.
